**Note: As of April 2022, a DUNS number is no longer required for federal assistance applications.**

The 2 CFR 200 requires that sub-grantees obtain a UEI number. Please note the UEI for sub-grantees is not required at the time of application but will be required before an award is processed and/or directed to the sub-grantee.

**Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.**

- Organizations **based in the United States** or that pay employees within the United States will need an Employer Identification Number (EIN) from the Internal Revenue Service (IRS) and a UEI number prior to registering in SAM.gov.

• **Please note that as of November 2022 and February 2022 respectively, organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code or CAGE code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove a CAGE or NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket (“incident”) with the Federal Service Desk (FSD) online at www.fsd.gov using the following language: “I do not intend to seek financial assistance from the Department of Defense. I do not wish to obtain a CAGE or NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Organizations based outside of the United States and that DO plan to do business with the DoD in addition to Department of State should follow the below instructions:

Step 1: Apply for an NCAGE code by following the instructions on the NSPA NATO website linked below:

NCAGE Homepage:
https://eportal.nspa.nato.int/AC135Public/sc/CageList.aspx

Exemptions
An exemption from the UEI and sam.gov registration requirements may be permitted on a case-by-case basis if:

- An applicant’s identity must be protected due to potential endangerment of their mission, their organization’s status, their employees, or individuals being served by the applicant.

- For an applicant, if the Federal awarding agency makes a determination that there are exigent circumstances that prohibit the applicant from receiving a unique entity identifier and completing SAM registration prior to receiving a Federal award. In these instances, Federal awarding agencies must require the recipient to obtain a unique entity identifier and complete SAM registration within 30 days of the Federal award date.

Organizations requesting exemption from UEI or SAM.gov requirements must email the point of contact listed in the NOFO at least two weeks prior to the deadline in the NOFO providing a justification of their request. Approval for a SAM.gov exemption must come from the warranted Grants Officer before the application can be deemed eligible for review.

iii. The Federal awarding agency will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in §200.206 Federal awarding agency review of risk posed by applicants.

The assistance award agreement is the authorizing document and it will be provided to the recipient for review and signature by email. The recipient may only start incurring program expenses beginning on the start date shown on the grant award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.
