EMBASSY KIGALI
Notice of Funding Opportunity**

Funding Opportunity Title: Enhancing democracy through impartial participation of political parties in Rwanda.

Funding Opportunity Number: DOS-RWANDA-PE-2023-03

Assistance Listing Number: 19.225

Deadline for Applications: September 16, 2023

Total Amount Available: Up to \$400,000

A. Program Description:

U.S. Embassy Kigali and the U.S. Department of State announce an open competition for organizations to submit applications to enhance democracy and empower voters with accessible and impartial information on all registered political parties including their policies, values, and priorities, to foster inclusive and accessible elections in Rwanda. **Please follow all instructions below.**

Program Objectives:

In Rwanda, some political parties face challenges to inform voters about their values, priorities, and policy prescriptions. This is particularly true in isolated, rural areas. To address this systemic deficiency in the runup to 2024 elections, the proposed activity should build a platform for all registered political parties to articulate their policies, values, and priorities. The implementor should promote this platform to increase its reach and relevance. The implementor should also organize a series of radio programs, town halls, and candidates' forums for voters to engage with leaders and candidates on key issues within a set and realistic timeframe in the leadup to the 2024 elections.

The program must operate in no less than five and no more than 10 of Rwanda's 30 districts. Applicants should indicate which districts they would select and why.

The program will have the following objectives:

Objective 1 – Create an impartial platform for registered political parties to publicly articulate and share their policies, values, and priorities to the Rwandan population in an impartial manner.

Objective 2 – Increase the capacity of district-level candidates to articulate their policy ideas, values, and priorities, and also communicate with voters.

Objective 3 – Promote accountability of local candidates through encouraging dialogue including by hosting candidate discussions, forums, radio programs, and town halls for voters in targeted districts in Rwanda.

Participants and Audiences:

This grant opportunity is open to non-governmental organizations. Participants and audiences will include the public, civil society organizations, and political candidates.

The 2 CFR 200 requires that sub-grantees obtain a UEI number. Please note the UEI for sub-grantees is not required at the time of application but will be required before an award is processed and/or directed to a sub-grantee.

Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.

- **Please note that as of November 2022 and February 2022 respectively, organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code or CAGE code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove a CAGE or NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket (“incident”) with the Federal Service Desk (FSD) online at www.fsd.gov using the following language: “I do not intend to seek financial assistance from the Department of Defense. I do not wish to obtain a CAGE or NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Organizations based outside of the United States and that DO plan to do business with the DoD in addition to Department of State should follow the below instructions:
